FOREWORD

The theme of the 1965 SAGA--"one for all and all for one"--best describes the spirit which made possible the achievements of the past year.

Our third year has been a year of firsts at Garey High School. The first homecoming rally began with the arrival of many of our alumni who returned to view the pre-game festivities. That evening a car caravan left from the parking lot to drive to the Claremont game. During half-time, Ardys Williams, Garey's homecoming queen, was crowned before hundreds of viewers. The night was climaxed by Garey's first homecoming dance at which Ardys and her lovely princesses reigned until one o'clock.

The second SENIOR class is the first to attend the full three years. This year's SENIORS attended the high school when it was not yet complete. As a result they went to class rooms that were having finishing touches applied. This was difficult, but it helped the seniors unite to make Garey the best high school.

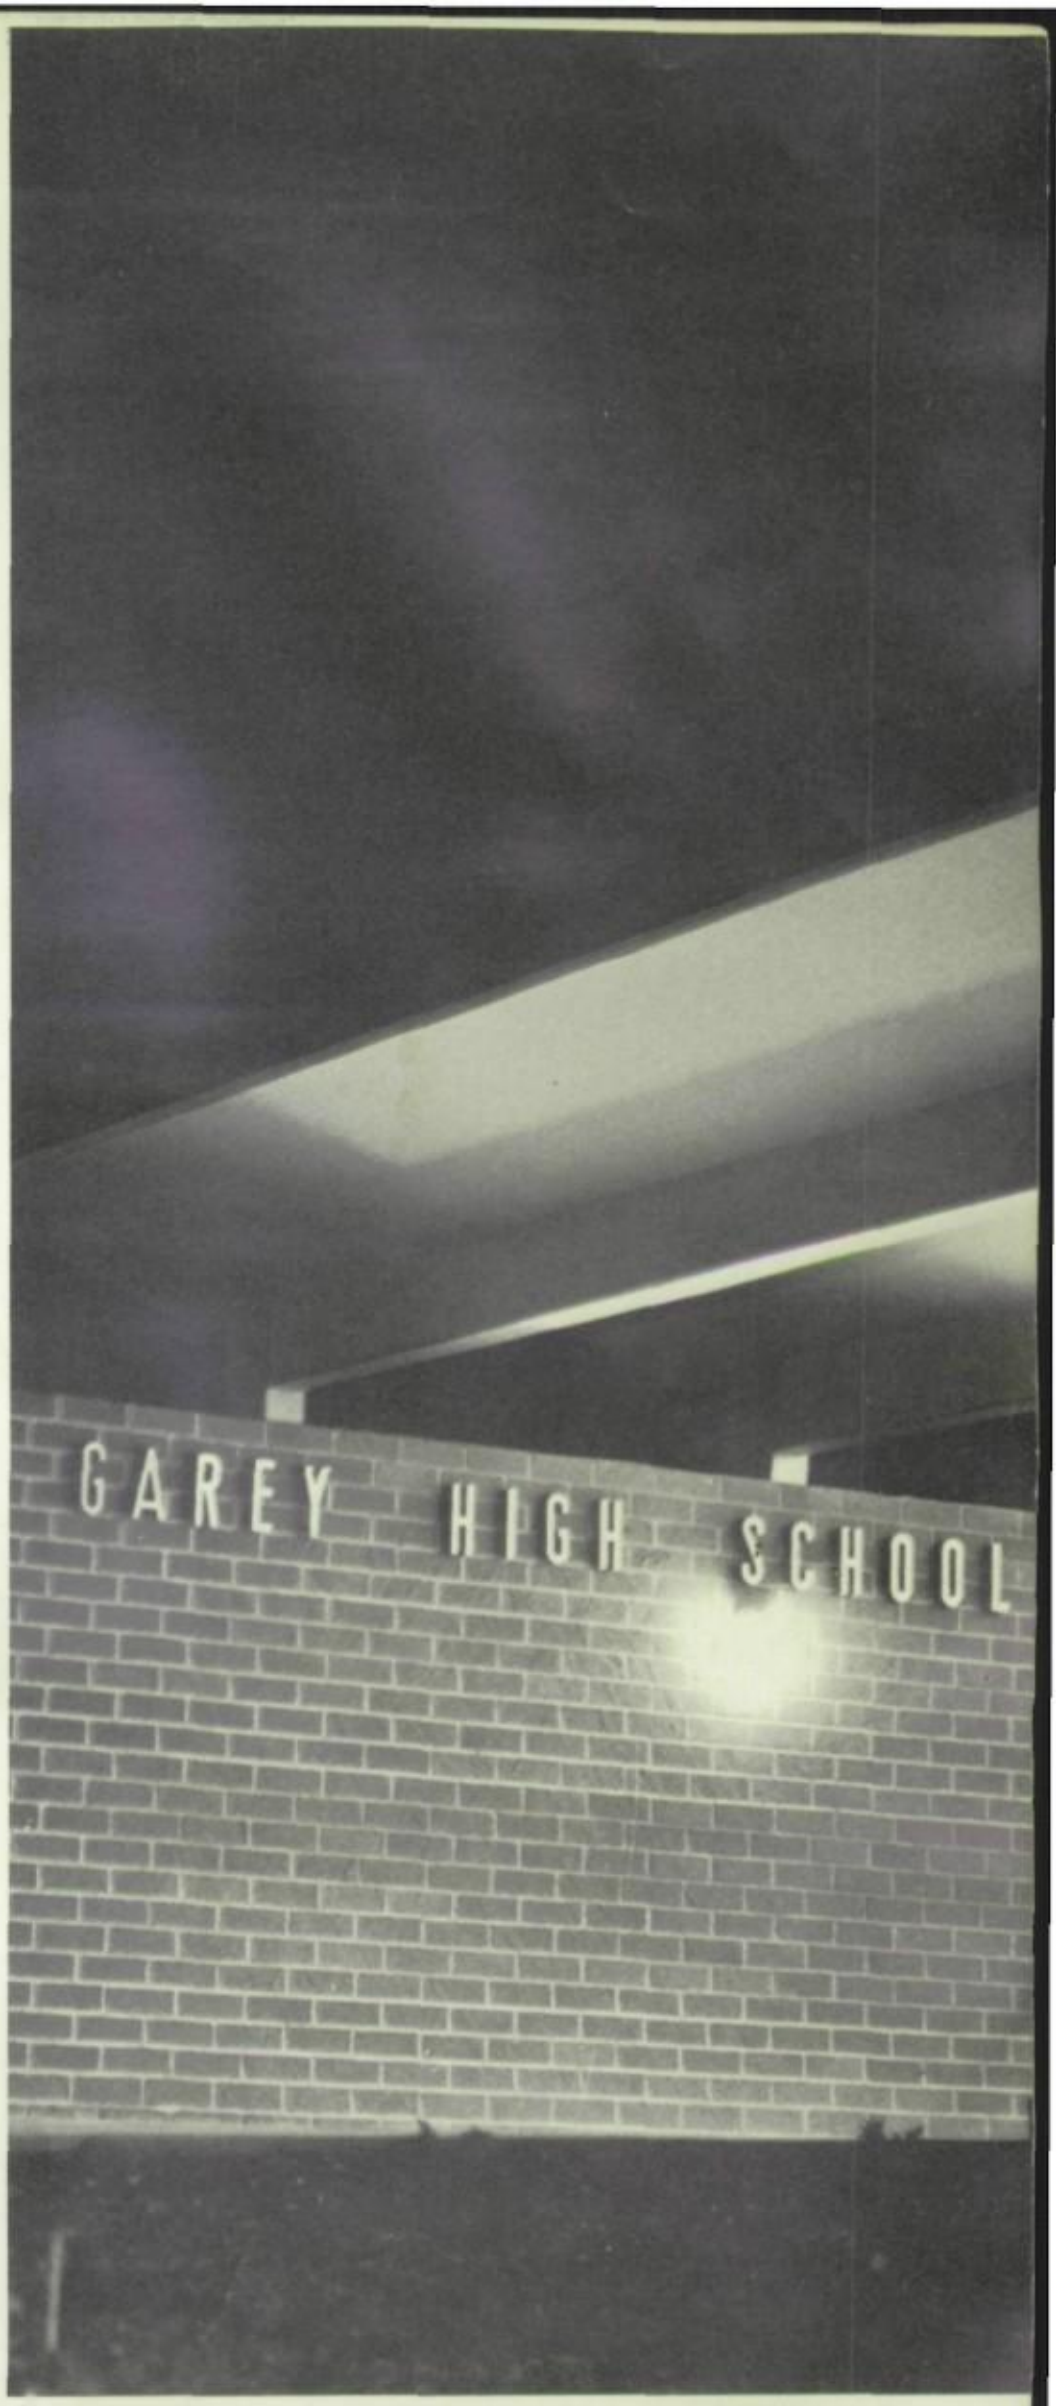
ADMINISTRATION 106

The 1965 Saga was published by the Student Body of Garey High School and was prepared by the Saga staff--advisor, Mr. Fischbach. Printed by the American Yearbook Company. Senior photographer, Granger's Studio, and special photographer, Bill Godsmark.



A TRIBUTE

TO AUBREY H. SIMONS

. . . AN UNCOMMON GIFTED MAN ENGAGED IN OUR COMMON CAUSE.

"A tribute to Aubrey H. Simons leads me inescapably to the statement, 'He was unique. As we reflect on his career as a school man we think, too, of a simple assertion that many regard as one of society's highest compliments, "he was a teacher."'. . ."
"During the past five years as our superintendent he was at the helm of a rapidly growing school district in which the growth of the physical plant and of the school program were only parts of his demanding assignment."

Winston Nelson

The planning and completion of Garey High School under the administration of Dr. Aubrey H. Simons were important accomplishments of his years as superintendent of the Pomona Unified School District. He always took a special interest and pride in Garey. The further additions to Garey and its growth in student body and stature will represent the realization of a plan set forth by Dr. Simons.

Roxann,
you are a real nice, nutty, crazy girl.
Don't catch anymore boys where you
will get in trouble. Stay as sweet and
nutty as you are.
Have a nice summer.

Love & Hugs
Ruth & George

The Student Council, under the leadership of A. S. B. President John Ochoa, welcomed the added responsibility of a larger Sophomore class. The Council worked on the first homecoming activities and, most important, kept the traditions established by the class of 1964.

Al is interested in all sports and soccer in particular. He helped organize Garey's first chess club.

Tony, a junior, gets in the action as other students cheer him on.

All the excitement is at the finish line. The tricycle race was the hit of Shari Week. The events were climaxed by a dance, March 12th.

12 DAYS OF XMAS

Tiny marches to the beat as the others follow on the 12th day.

On the 9th day of Christmas, Pati and Gloria lead the dance, with the help of Jeneine, and 6 other girls.

"Twelve Days of Christmas" was the theme of Garey's formal Christmas Dance held on Dec. 12, 1965. Marcia Weeks was crowned Snow Queen and her court was Judy Steele, Senior Princess; Randy Hines, Junior Princess; and Sharon Mulder, Sophomore Princess.

"WHEN THE GOING GETS TOUGH . . . VIKINGS BATTLE TO WIN FOURTH PLACE IN LEAGUE.

The Garey Vikings battled to win a fourth-place berth in the large school San Antonio League. G.H.S. finished the season with five wins, one tie, and three losses. The 1964 season was Garey's first in the recently formed San Antonio League, composed of much larger schools.

The Garey squad scored a brilliant 21-7 win over the crosstown rival, Pomona Red Devils. The highlight of the season was Garey's seesaw thriller 13-13 tie against the crosstown Ganesha Giants.

The Vikings were toppled, 40-0, by the undefeated Claremont Wolfpack league victors. This loss was suffered at Garey's first homecoming game.

Whether losing or winning, the Garey team was spurred on by the unflagging spirit of the student body and Boosters. The band and rally groups contributed greatly to the strong school spirit.

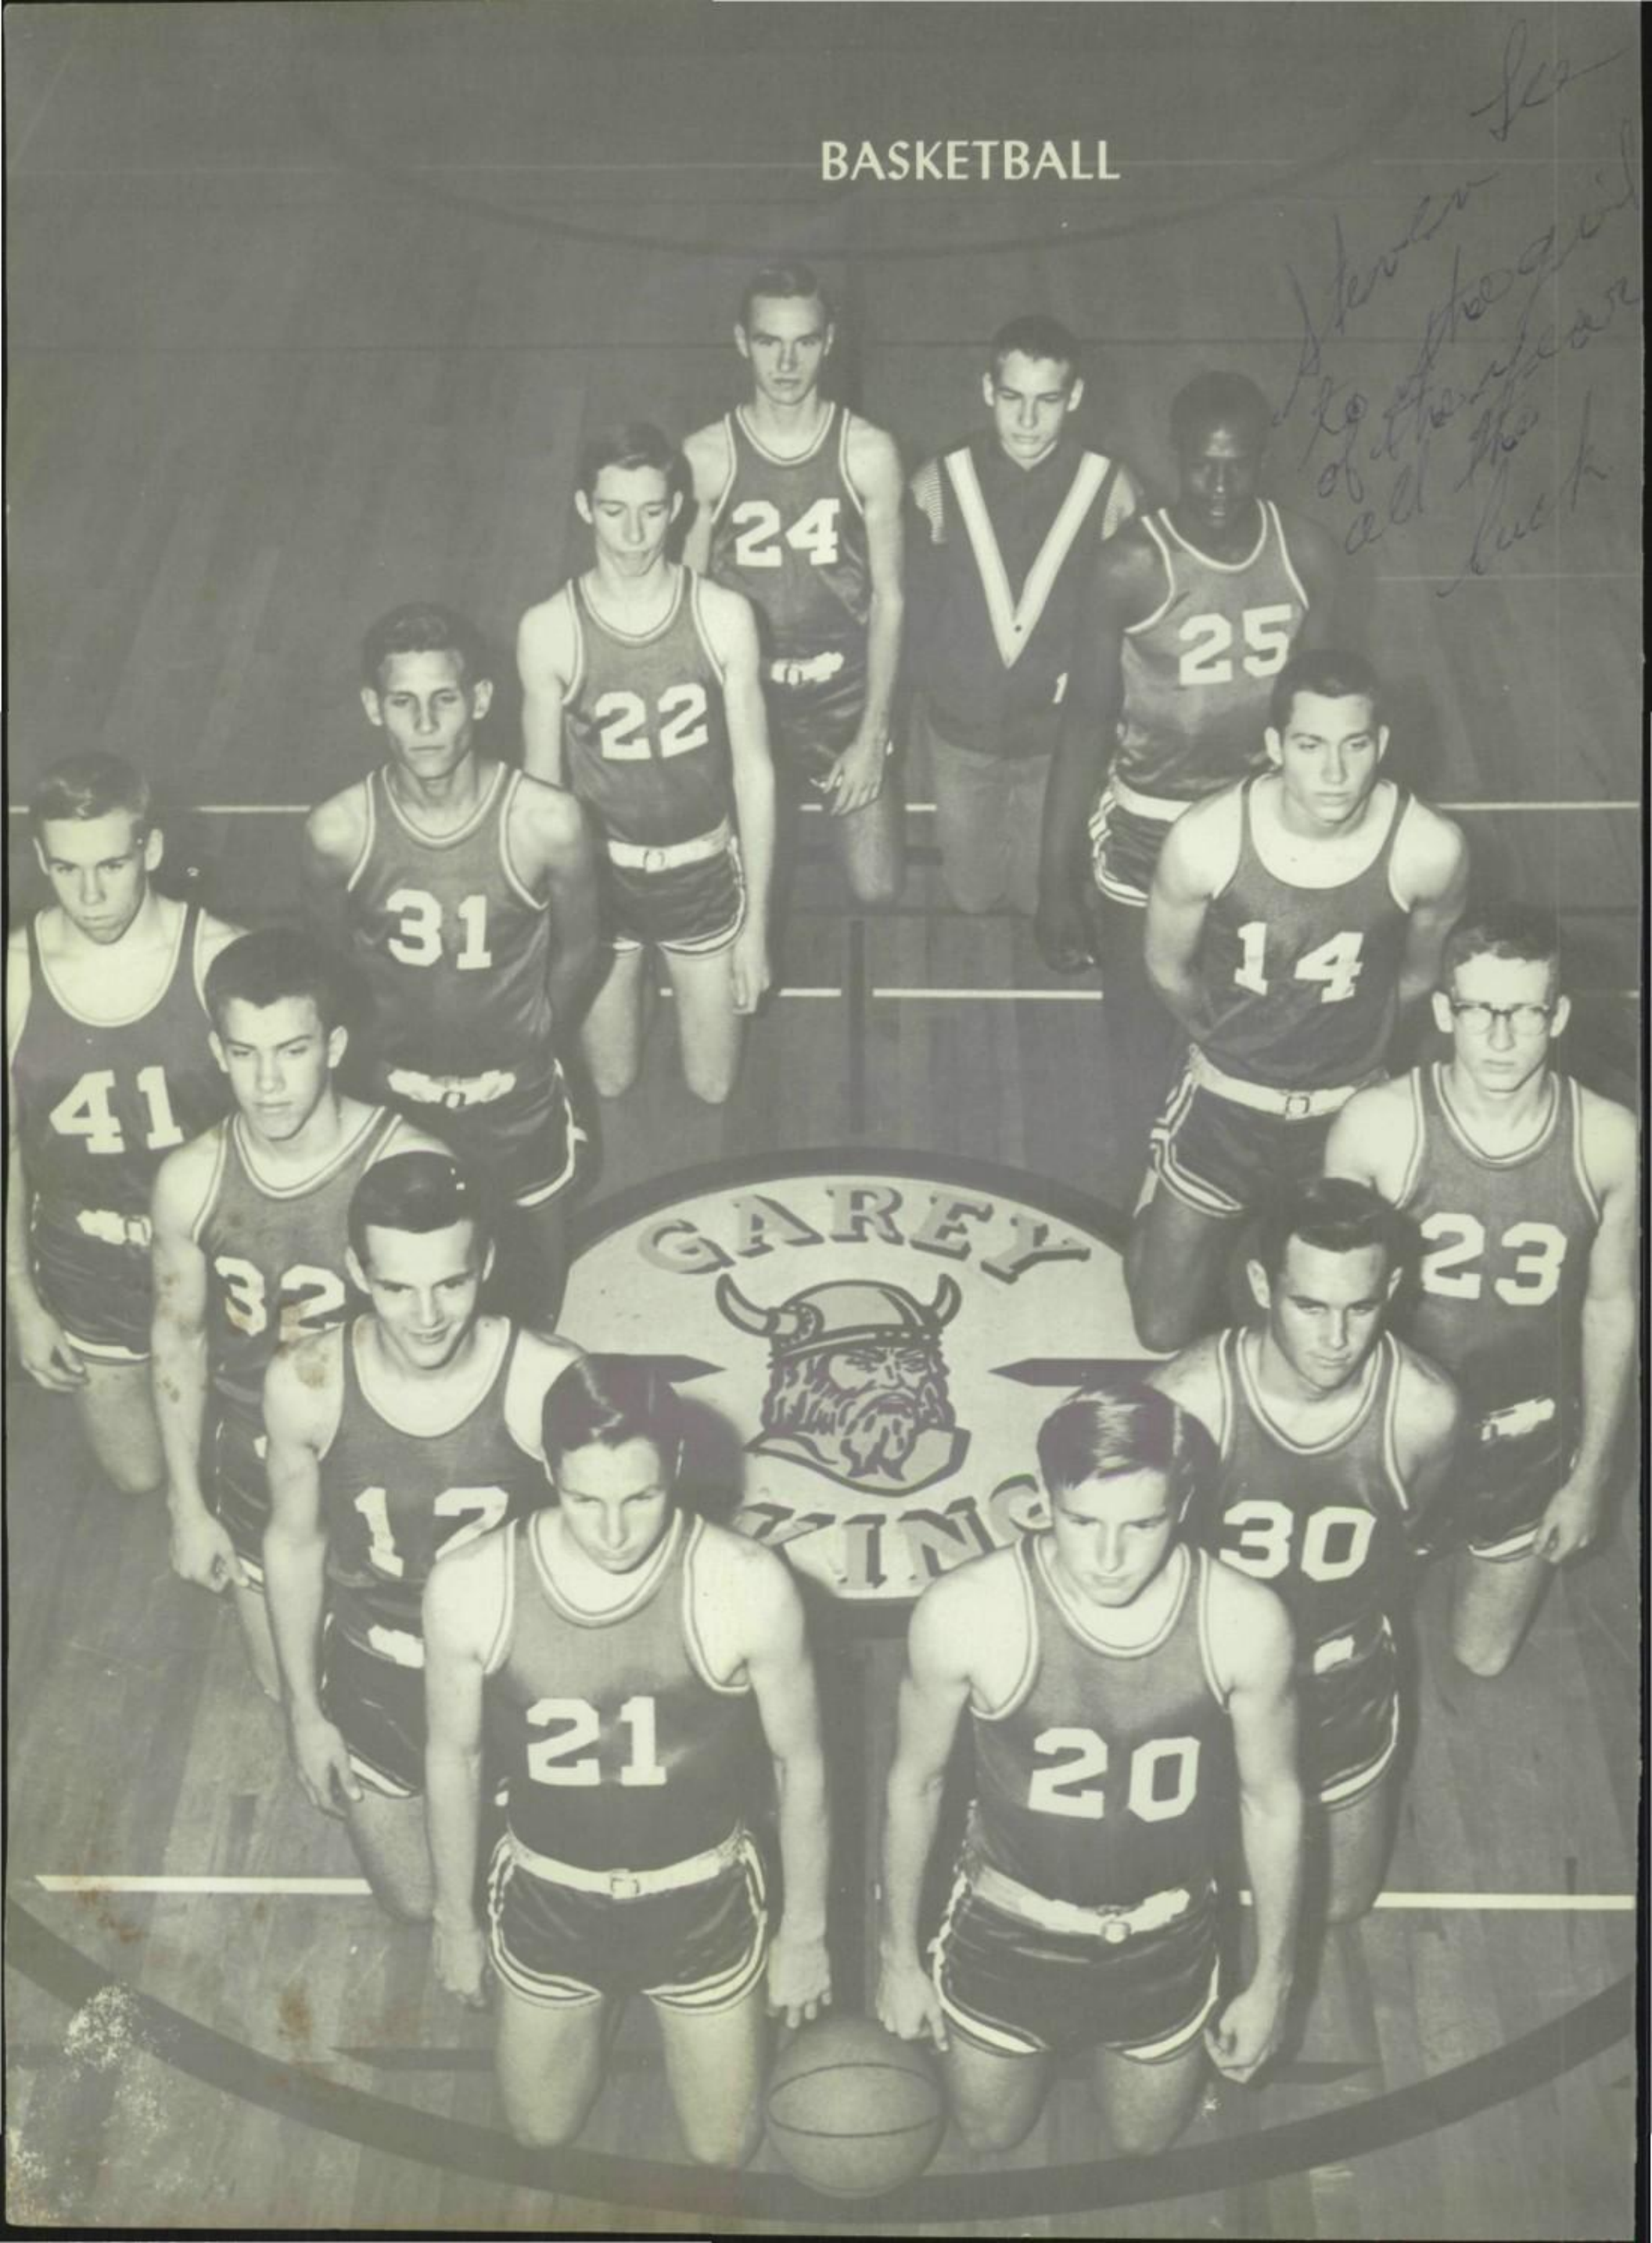
BASKETBALL



Exciting contests but few victories mark season.

Vikings valiantly fought for a cellar spot in the new Sal League. One of our exciting games was Garey at Bonita. This game was a thriller to the last moments. There was no time left on the clock and Bonita was a-head by two points. Dave Smith had two free throws. He sank both and tied up the score. The Vikes scored for three periods of play, but Bonita pulled ahead to win 62-61.

Another outstanding game was Garey at Ganesha. This night the Viking team could do no wrong while the Giants could do little right. Coach Havens team came up with a method to stop the Giant offensive. Bob Sharp was high point man with 21 points, nine of which came on clutch foul shots. With 2:59 left in the game Ganesha was with-in three points, 53-50. Bob Sharp proved his value to the Viking attack as he calmly sank four straight foul shots. At the end of the game Garey was on top 62-50.

GOODBYE, MRS. BREEDING

The students at Garey High School bid farewell to one of their staunchest supporters. Mrs. Vashke Breeding is leaving Garey to become assistant principal at Newport High School. Mrs. Breeding, during her three years at Garey, has worked very closely with the Student Council and the Student Body itself. Through these associations many friendships have been formed. Everything she has done at Garey has been in the best interests of the students.
I am sure I am speaking for all Vikings when I say we will miss her, and we wish her the best of luck at her new school.
